

Islip, NY – Islip Town Councilman Steve Flotteron attended the annual FASNY (Fireman's Association of the State of New York) convention, where he presented an award to Valerie White from the Town of Islip.

Valerie received the 2010 FASNY EMS Award for her heroic actions while transporting a victim to the hospital. This was the first time this award went to an individual and the first time the convention was held in Islip.

Pictured (left to right) are Mrs. White, Valerie White, and Councilman Flotteron.
